A698 Sand and water storage shelf

IMPORTANT

Save these instructions for reference

Recommended use

This Storage shelf provides a place to store toys and accessories used in sand and water play or other messy activities. Compartments with grates allow wet items to drain, with a drip tray beneath to catch water or mess. A vertical slot at the back provides a safe place to store two Sand and water table lids.

Recommended for children ages 1 to 6 years.

⚠ WARNING

▲ This product is intended for use by children of immature judgment, therefore supervision is required at all times.

⚠ CAUTION

- ▲ Water on the floor is slippery. Clean up spills.
- ▲ This product is intended for indoor use only.
- ▲ When storing and retrieving lids, grasp firmly so they do not drop.

Assembly

The Sand and water storage shelf delivers fully assembled in a single carton. The drip tray ships in a smaller carton inside the main carton. Fit the drip tray by placing it beneath the lower compartments between the two wooden rails.

If your shipment is incomplete, please call customer service.

Operation

Two Sand and water table lids may be stored in the slot at the back of the shelf.

Small items dropped into slot may be retrieved from the gap at the back of the shelf.

Community Playthings Deep totes fit into the shelf compartments and can be individually labelled.

To move shelf, flip up the trim, roll to a new location, and flip it back down for a perfectly stationary unit.

Storage

The Sand and water storage shelf should be stored indoors.

Maintenance

Periodically inspect for cracks, breaks, loose parts, missing parts, and/or malfunctions. Remove the product from service if any condition develops that might make operation unsafe.

Cleaning

The drip tray can be washed with soap or mild detergent and water. Disinfectants can be used. Do not use abrasive cleaners. Wipe wooden components with a damp cloth and mild detergent. Dry immediately.

Construction

The frame is made of solid hardwood protected with a child-safe finish.

The shelf compartments are made of impact-resistant plastic.

The drip tray is made from PETG plastic.

All of the packaging from this product is recyclable (cardboard and LDPE). Please recycle in accordance with local guidelines.

User modifications

We cannot be responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

Ordering parts

To order replacement parts, contact customer service with a description of the part(s) needed and the ID code from the product.

Use only replacement parts supplied by Community Playthings.
