

Product guide

J505, J506 Me-do-it chair

IMPORTANT

Save these instructions for reference

Recommended use

These chairs are intended for infants and toddlers who are capable of sitting unaided for ten minutes or more.

The 13 cm chair is recommended for children 6-18 months with a table height of 30 cm. The 17 cm chair is recommended for children between the ages of 12-30 months with a table height of 36 cm.

Both sizes of Me-do-it chairs stack interchangeably.

⚠ WARNING

- ▲ This product is intended for use by children of immature judgment, therefore supervision is required at all times.
- ▲ Stack chairs no more than five high to prevent instability.

⚠ CAUTION

- ▲ For indoor use only. These items are not waterproof.

Maintenance

Periodically inspect for cracks, breaks, loose parts, loose screws, missing parts, and/or malfunctions. Remove the product from service if any condition develops that might make operation unsafe.

Cleaning

Wipe with a damp cloth and mild detergent. Dry immediately. Leaving water or cleaning agent on the surface may damage the finish.

Construction

The wooden components are manufactured from solid birch and birch plywood protected with a child-safe finish.

User modifications

We cannot be responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

Use only replacement parts supplied by Community Playthings.

**All of our packaging is recyclable (cardboard and LDPE).
Please recycle in accordance with local guidelines.**
