## W504 Outlast Art Trolley

### IMPORTANT

Save these instructions for reference

### Recommended use

The Outlast Art Trolley is intended for the transportation of art supplies and materials to and from the outdoor art studio or different areas of your outdoor space. It can also serve as child-accessible display for materials.

### ⚠ WARNING

Roll-away and fall hazard:

- ▲ Apply the brake when parked.
- ▲ Do not allow children to ride or climb on the trolley.

Do not overload trays.

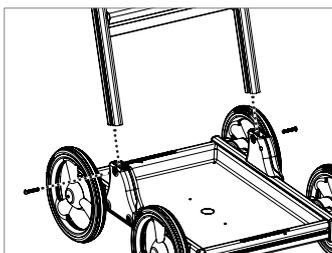

Use only with adult supervision.

### Assembly

Your Art Trolley comes in a carton containing

- Art Trolley base assembly
- Art Trolley handle assembly
- 2 button head screws
- 1 hex key
- 1 large Art Tray
- 2 medium Art Tray
- 3 small Art Tray

One Outlast Shallow Crate ships in a separate carton.

After unpacking your Art Trolley, insert the handle assembly into the plastic cones of the base assembly. Insert the two button head screws and tighten with the hex key provided.

If your shipment is incomplete, please call customer service.

All of the packaging from this product is recyclable (cardboard and LDPE). Please recycle in accordance with local guidelines.

### Maintenance

Keep indoors or under cover when not in use. Periodically inspect for cracks, breaks, loose parts, missing parts, and/or malfunctions. Remove the product from service when any condition develops that might make operation unsafe. Clean the Art Trolley with mild soap and water.

### Construction

The aluminium chassis and handle have a baked on finish. Rugged plastic wheels with ball bearings and steel axles. Tyres are solid urethane foam, requiring no inflation.

### User modifications

We cannot be responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

### Ordering parts

To order replacement parts, contact customer service with a description of the part(s) needed and the ID code from the product.

**Use only replacement parts supplied by Community Playthings.**
