W444 Nature trays, W446 Kitchen scoop set

## IMPORTANT

Save these instructions for reference

### Recommended use

**Nature trays can be used for handy storage or loose parts play. They store in the Mud kitchen units and also fit neatly into the Outlast crates.**

**The sturdy, multi-purpose Kitchen scoops clip to the back of the Classic sink or to the side of the crates.**

### ⚠ WARNING

▲ This product is intended for use by children of immature judgement. Supervision is required at all times.

### ⚠ CAUTION

▲ Adults are responsible to prevent these products from being used by children in unsafe combinations with other components.

### Cleaning:

Mud and dirt can be removed with scrub brush and water. Over time outdoors, surfaces may blacken with mildew. Remove with detergent or a disinfectant solution such as Milton Sterilising Fluid.

### Maintenance:

Acetylated wood weathers to a natural silver grey if left untreated outdoors. If you prefer the original look, scrub with a mild detergent or disinfectant solution. When dry, apply a tinted, nontoxic penetrating stain. Refinishing stain is available from customer service.

Periodically inspect for splinters, broken or loose parts, and/or malfunctions. Remove from service if any condition develops that might make operation unsafe.

### Construction:

The wooden components are manufactured from long lasting acetylated wood and finished with a water-based stain. All edges and corners are rounded for safety and ease of cleaning. The end grain is protected by plastic guards. Stainless steel hardware is used throughout and plastic components are formulated to ensure long life in outdoor environments.

### User modifications:

We are not responsible for modifications made by customers to our products in the field, without our supervision, testing or evaluation.

### Ordering parts:

To order replacement parts, contact customer service with a description of the part(s) needed and the ID code from the product.

**Use only replacement parts supplied by Community Playthings.**

**All of our packaging is recyclable (cardboard and LDPE). Please recycle in accordance with local guidelines.**
