

F381 Toddler book display

F380 Set of two toddler book displays

Recommended Use

The Toddler book display is designed to provide low, accessible display space for board books. They have a wide base for stability.

⚠ WARNING

- ▲ This product is intended for use by children of immature judgment, therefore supervision is required at all times.

Operation

Use a single Toddler book display against a wall or other furniture. Alternatively, attach two Toddler book displays back to back to form an island (See Figure B). The Toddler book display has a tool-free connecting system: lift one unit and slide it down into the connector on the other unit (units are identical).

Construction

The wooden components are manufactured from solid birch or birch plywood and protected with a child-safe finish. Front panels are made from PETG.

Maintenance

Periodically inspect for cracks, breaks, loose parts, missing parts, and/or malfunctions. Remove the product from service when any condition develops that might make operation unsafe.

Cleaning

Wooden parts: Wipe with a damp cloth and mild detergent. Do not use excessive water.

Clear plastic parts: Dust with a soft, damp cloth or chamois. Wash with dish washing detergent and plenty of lukewarm water.

CAUTION: DO NOT USE abrasive cleaners on clear plastic surfaces

User modifications

We cannot be responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

Ordering parts

To order replacement parts, contact customer service with a description of the part(s) needed and the ID code from the product.

Use only replacement parts supplied by Community Playthings.

If your shipment is incomplete, please call customer service. All packaging is recyclable (cardboard and LDPE). Please recycle in accordance with local guidelines.
