

Product guide

G961 Dream Coracle

IMPORTANT! RETAIN FOR FUTURE REFERENCE: READ CAREFULLY

Recommended use

This product is recommended for children ages 6 months to 20 months. Regulators of early years settings in some jurisdictions may not permit use of floor beds below a certain age; purchasers are responsible for regulatory compliance.

⚠ WARNING

- ▲ This product is intended for use only in early years settings, supervision is required at all times.
- ▲ The Coracle must only be placed on a flat floor.
- ▲ Do not place the Coracle near heat sources, windows and other furniture. Be aware of the risk of open fire and other sources of strong heat, such as electric bar fires, gas fires, etc., in the near vicinity of the Coracle.
- ▲ Do not use the Coracle if any part is broken, torn or missing.
- ▲ Use only the mattress supplied with the Coracle.
- ▲ Do not place additional mattresses or other items in the Coracle that may cause suffocation, e.g. soft toys, pillows.
- ▲ This product should only be used for children aged 6 months or older who can lift their head and push themselves up on their arms and hands without assistance.
- ▲ Follow the infant safe sleep guidance issued by the public health authority in your country.

⚠ CAUTION

- ▲ Not intended for outdoor use.
- ▲ The Coracle is not designed for more than one child to sleep in at a time.
- ▲ Do not lift Coracle with child in it.
- ▲ Children are likely to play, bounce, jump and climb on beds, therefore the Coracle should not be placed too close to other furniture or windows, blind cords, curtain pulls or other strings or cords. The Coracle should be placed either tight to any wall or have a gap of 300 mm between the wall and the side of the bed.

Operation

The Coracle is not designed to be disassembled. When stacking, the bottom of the top Coracle does not touch the mattress and sheet below, so the sleeping surface remains clean.

⚠ CAUTION

- ▲ Do not stack more than 6 Coracles high.

G96 Coracle replacement mattress

Maintenance

Periodically inspect for cracks, breaks, loose parts, missing parts, and/or malfunctions. Inspect mattress for tears, rips, and worn areas. Remove the product from service if any condition develops that might make operation unsafe.

Cleaning

Wipe wooden parts with a damp cloth and mild detergent. Dry immediately. Leaving water or cleaning agent on the surface may damage the finish.

Wipe mattress clean with soft cloth using warm water and neutral detergents. Safe antibacterial surface cleansers can also be applied. All cleaning agents and disinfectants must be thoroughly rinsed off and the mattress dried before storage.

Construction

The Coracle is made of formed beech and a birch plywood base with a child-safe finish.

The mattress cover is made of silicone-coated fabric. The mattress filling consists of coir (coconut husk fibre) encased in natural latex rubber and wool.

The Coracle conforms to BS 8509:2008+A1:2011.

The mattress conforms to EN 16890:2017+A1:2021.

User modifications

We cannot be responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

Ordering parts

To order replacement parts, contact customer service with a description of the part(s) needed and the ID code from the product.

Use only replacement parts supplied by Community Playthings.

All of our packaging is recyclable (cardboard and LDPE). Please recycle in accordance with local guidelines.
