## M62 Rest mat

### IMPORTANT

Save these instructions for reference

### Recommended use

**These rest mats are easy to keep clean. With different colours on the two sides, you can always keep the same side up. The four-section fold keeps sleeping surfaces face to face and clean during storage.**

### ⚠ WARNING

- ▲ This product is intended for use by children of immature judgment, therefore supervision is required at all times.
- ▲ The rest mat is not intended for use in any cot or similar article.

### Accessories

**G19** Fitted sheet (coloured) 100% cotton.

**S16** Cot blanket (93 x 140 cm) 100% polyester.

### Storage

The rest mats are modular with the Roomscapes shelving for convenient storage.

**F621** 63 x 61 cm Adjustable shelf holds 4 mats

**F622** 63 x 81 cm Adjustable shelf holds 6 mats

**F623** 63 x 102 cm Adjustable shelf holds 8 mats

**M660** 63 x 131 cm Rest mat stacker holds 10 mats

### Maintenance

Periodically inspect for tears, rips, and worn areas. Remove the product from service if any condition develops that might make use unsafe.

### Cleaning

Wipe clean with soft cloth using warm water and neutral detergents. Safe antibacterial surface cleansers can also be applied, but avoid those containing alcohol.

All cleaning agents, and disinfectants, must be thoroughly rinsed off and the rest mat dried before storage.

### Construction

Rest mats are made of polyether foam covered with cleanable, breathable polyurethane-coated fabric. They are bound with durable polyester edging and have welded cross-seams. Conforms to EN 16890:2017.

### User modifications

We cannot be responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

### Ordering parts

To order replacement parts, contact customer service with a description of the part(s) needed and the ID code from the product.

**Use only replacement parts supplied by Community Playthings.**

**All the packaging from this product is recyclable (cardboard and LDPE). Please recycle in accordance with local guidelines.**
