Maintenance

Periodically inspect for cracks, breaks, loose parts, loose screws, missing parts, and/or malfunctions. Remove the product from service when any condition develops that might make use unsafe.

Construction

The wooden components are manufactured from hardwood and finished with a clear wood finish. All edges and corners are rounded for safety and ease of cleaning. The upholstery is polyurethane foam covered with a highly durable and stain resistant silicone-coated fabric. The Nursery sofa conforms to BS 7176 Medium Hazard Category.

Cleaning

Wipe clean with a soft cloth and warm water, using your standard detergent. Safe antibacterial surface cleansers can also be applied. Rinse off all cleaning agents and disinfectants and dry with a cloth. Do not machine wash.
