### Cleaning

If your blocks become dirty, you may want to wash them. If so, use a minimum of soap and water. Too much water may cause warping or rotting.

If washing doesn't remove enough dirt from your blocks, try lightly sanding them. Blocks won't stack well if heavily sanded.

If your shipment is incomplete, please call customer service.

### Maintenance

Periodically inspect for cracks, breaks, loose parts, missing parts, and/or malfunctions. Remove the product from service if any condition develops that might make operation unsafe.

### Construction

All our blocks have rounded corners and are manufactured from solid birch or beech.

### User modifications

We cannot be responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

### Ordering parts

To order replacement parts, contact customer service with a description of the part(s) needed.

**Use only replacement parts supplied by Community Playthings.**

**All the packaging from this product is recyclable (cardboard and LDPE). Please recycle in accordance with local guidelines.**
