Recommended use

The Wall Cubbies allow each child to have a personal space to organise and store their clothing, including hooks for coats and bags, a pocket for personal items, and a space for notes or letters. Wall Cubby Corner Units should be used to join two lines of cubbies at a corner. They also offer a perfect spot for a lost-and-found bin or a feature display.

⚠ WARNING

- ▲ Wall Cubbies must be properly mounted before use. It is the customer's responsibility that they are secure.
- ▲ This product is intended for use by children of immature judgement, therefore supervision is required at all times.

⚠ CAUTION

- ▲ For indoor use only.

Installation

To install the Wall Cubbies and Corner Units, refer to the product installation instructions.

Maintenance

Periodically inspect for secure connections, cracks, breaks, loose parts, missing parts, and/or malfunctions. Remove the product from service if any condition develops that might make operation unsafe.

Construction

Wall Cubbies are made from solid birch protected with a child-safe finish.

Cubby compartments, name covers and hooks are made from durable plastic.

Cleaning

Wooden parts: Wipe with a damp cloth and mild detergent. Do not use excessive water.

Plastic parts: Dust with a soft, damp cloth. Wash with dishwashing detergent and plenty of lukewarm water.

Operation

Removal of name covers:

To remove the name cover, pull on the tab underneath wooden trim.

To install the name cover, push the tabs upwards into the slots in the wooden trim, then clip the bottom edge in until it latches around the trim.
