Cleaning

Wipe with a damp cloth and mild detergent. Dry immediately. Leaving water or cleaning agent on the surface may damage the finish.

Construction

Stacking stools have formed beech legs and a solid birch seat, finished with a clear child-safe finish. Tips and stacking protectors are moulded from a durable elastomer.

Refinishing

Stacking stools can be refinished. Sand the old finish and apply one or two coats of clear varnish or lacquer. Be sure to check your finish for the label "safe for children's toys."
