W460 Outlast arbour, W461 Outlast arbour bench, W462 Outlast canopy

## IMPORTANT

Save these instructions for reference

### Recommended use

**The Outlast arbour provides an instant den or cosy corner anywhere in your outdoor area. Move the two Arbour benches into place, and drape the Outlast canopy over them to create a protected, yet fully supervisable space.**

**The canopy fabric hooks onto small buttons on the Arbour bench corners. The sturdy base provides seating, a work surface and storage.**

**The Canopy adds a touch of atmosphere to your outdoor area and is not intended as a shade cloth.**

### ⚠ WARNING

- ▲ This product is intended for use by children of immature judgement. Supervision is required at all times.
- ▲ To prevent falls or tip over injuries, do not allow children to pull or climb on canopy.
- ▲ To prevent entrapment or strangulation, avoid creating loops or openings when fastening canopy.

### ⚠ CAUTION

- ▲ Adults are responsible to prevent these products from being used by children in unsafe combinations with other components.

### Cleaning:

Mud and dirt can be removed with scrub brush and water. Over time outdoors, surfaces may blacken with mildew. Remove with detergent or a disinfectant solution such as Milton Sterilising Fluid.

The Canopy can be washed with mild soap or detergent and water.

### Maintenance:

Acetylated wood weathers to a natural silver grey if left untreated outdoors. If you prefer the original look, scrub with a detergent solution. When dry, apply a tinted, nontoxic penetrating stain. Refinishing stain is available from customer service.

Periodically inspect for splinters, broken or loose parts, and/or malfunctions. Remove from service if any condition develops that might make operation unsafe.

### Construction

The wooden components are manufactured from long lasting acetylated wood and finished with a water based stain. All edges and corners are rounded for safety and ease of cleaning. End grain is protected by plastic guards. Stainless steel hardware is used throughout and plastic components are formulated to ensure long life in outdoor environments. The Canopy is made of UV-stabilized polyester fabric.

### User modifications

We are not responsible for modifications made by customers to our products in the field, without our supervision, testing or evaluation.

### Ordering parts

To order replacement parts, contact customer service with a description of the part(s) needed and the ID code from the product.

**Use only replacement parts supplied by Community Playthings.**

**All of our packaging is recyclable (cardboard and LDPE). Please recycle in accordance with local guidelines.**
