

# Product guide

H861, H862, H863 Tulip apron

## IMPORTANT

Save these instructions for reference

---

### Recommended use

**H861** Yellow Tulip apron, small: 81–97 cm tall child

**H862** Green Tulip apron, medium: 97–114 cm tall child

**H863** Blue Tulip apron, large: 114–132 cm tall child

These aprons are delivered in packs of 1, 2, 4 and 6.

### Cleaning

Engage velcro hook and loop before washing. Hand wash in warm water or machine wash at low temperature (40°C or less). Excessive machine washing may crease material. Air dry. After washing, remove lint from velcro. Do not iron.

### Construction

The apron is made out of waterproof urethane-coated polyester with velcro fasteners.

### User modifications

We cannot be responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

**All of our packaging is recyclable (cardboard and LDPE).**

**Please recycle in accordance with local guidelines.**
