

Product guide

W322 Outlast wheelbarrow

IMPORTANT

Save these instructions for reference

Recommended use

The Outlast wheelbarrow is intended as an outdoor “work wagon” for children ages two and older to transport toys and materials from storage location to play area. The Outlast wheelbarrow is sized to fit the Outlast crate or Outlast blocks.

⚠ WARNING

▲ This product is intended for use by children of immature judgment and therefore adult supervision is required at all times.

⚠ CAUTION

- ▲ Wheelbarrow may tip. Use caution. Beware of heavy or unstable loads.
- ▲ The Outlast wheelbarrow is part of an open-ended, large muscle play system. Adults are responsible to prevent these products from being used by children in unsafe combinations with other components.
- ▲ This product is not intended to carry children.
- ▲ To prevent injury, caregivers and staff must familiarise themselves with these products before giving children access to them.

Assembly

If your shipment is incomplete, please call customer service. All of our packaging is recyclable (cardboard and LDPE). Please recycle in accordance with local guidelines.

Maintenance

Acetylated wood weathers to a natural silver grey if left untreated outdoors. If you prefer the original look, scrub with a detergent solution. When dry, apply a tinted, nontoxic penetrating stain. Refinishing stain is available from customer service.

Periodically inspect for splinters, broken or loose parts, and/or malfunctions. Remove from service if any condition develops that might make operation unsafe.

Construction

The wooden components are manufactured from long lasting acetylated wood and finished with a tinted nontoxic stain. All edges and corners are rounded for safety and ease of cleaning.

Stainless steel hardware is used and plastic components are formulated to ensure long life in outdoor environments.

Cleaning

Mud and dirt can be removed with scrub brush and water. Over time outdoors, surfaces may blacken with mildew. Remove with detergent or a disinfectant solution such as Milton Sterilising Fluid.

User modifications

We are not responsible for modifications made by customers to our products in the field, without our supervision, testing or evaluation.

Ordering parts

To order replacement parts, contact customer service with a description of the part(s) needed and the ID code from the product.

Use only replacement parts supplied by Community Playthings.
