## G28 Wall-mounted shelf

### IMPORTANT

Save these instructions for reference

### Recommended use

The Wall-mounted shelf provides accessible storage.

#### Products consist of the following:

**G28** contains a Wall-mounted shelf and a carton containing seven shelf dividers, a packet of ten label holders and labels, and a dowel for the roll dispenser. Does not contain mounting hardware.

**G282** contains a mirror and a bag containing the mounting hardware.

### ⚠ WARNING

▲ The shelf and mirror must be properly mounted before use. It is the customer's responsibility that it will be secure.

### ⚠ CAUTION

▲ For indoor use only.

### Installation

To install the Wall-mounted shelf, refer to the product installation instructions.

### Operation

To install or remove shelf dividers, lift the divider against top of upper groove, then swing bottom of divider to the side.

This shelf contains a built-in dispenser which can dispense roll materials such as paper towels. It will accommodate a roll up to 28 cm wide by 20 cm in diameter. If you do not want the dispenser function, simply remove the dowel and use the space as a shelf.

### Maintenance

Periodically inspect for cracks, breaks, loose parts, missing parts, and/or malfunctions. Remove the product from service if any condition develops that might make operation unsafe.

### Construction

The shelf is solid birch protected with a child-safe finish. The dividers are birch plywood. The mirror is shatterproof, scratch resistant plastic mounted on solid birch.

### Cleaning

Wipe the shelves with a damp cloth and mild detergent. Dry immediately. Leaving water or cleaning agent on the surface may damage the finish.
