### Recommended use

Benches provide tidy storage for children's footwear, and are suitable for adults to sit on as they assist children. The bench spacers allow for coats to hang down behind the bench, ensuring the bench top remains clear and uncluttered. To use, tip bench forward and rotate spacers downwards until they click into position.

Spacer extended

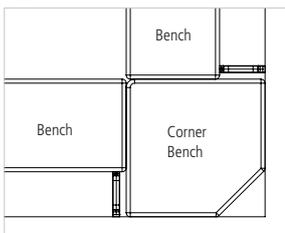

Spacer stowed

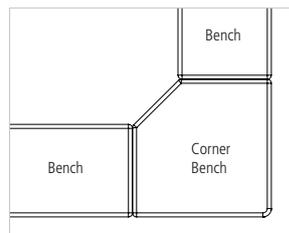

To stow spacers, tip bench forward and rotate spacers back to their original position.

Corner benches can be rotated to allow for use between benches with spacers extended (see figure 1).
