

Product guide

V845 PlayFrame strap

IMPORTANT

Save these instructions for reference

Recommended Use

The PlayFrame strap is intended to be screwed to a wall and used to keep the folded PlayFrame upright when in storage. Lean folded panels and accessories against the wooden bar and buckle the strap. Tighten the strap to keep items from tipping.

⚠ WARNING

- ▲ This product must be installed in an area inaccessible to children.
- ▲ This product comes with long straps. A clip at each end allows you to remove the strap completely when not in use, to avoid a strangulation hazard.
- ▲ The PlayFrame strap must be properly mounted before use. It is the customer's responsibility that it will be secure.

Installation

Position the wooden bar approximately 1 meter above the floor. Predrill the wooden bar for fasteners and screw in place (fasteners not included) with at least one fastener near each end. A competent carpenter or maintenance person should do the installation. This product is made of wood and must be installed out of the weather.

Maintenance

Visually inspect your product periodically, checking for broken parts, loose joints or other damage that could affect performance. Remove the product from service when any condition develops which might make operation unsafe.

Cleaning

You can wash your strap with warm water and a mild household detergent.

Wipe wooden component with a damp cloth and mild detergent. Dry immediately. Leaving water or cleaning agent on the surface may damage the finish.

Construction

The wooden bar is made of solid birch with a child-safe finish. The straps are made of polypropylene webbing.

User Modifications

We cannot be responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

Ordering Parts

To order replacement parts, contact Customer Service with a description of the part(s) needed and the ID Code from the product.

Use only replacement parts supplied by Community Playthings.

All of our packaging is recyclable (cardboard and LDPE). Please recycle in accordance with local guidelines.
